MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No.
BB-375 with ITIK Corporation, Project CORONA

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. BB-375 covers the procurement of five (5) Mensuration Viewers, Handbooks, Maintenance and Operation Training Program and studies of SAC PI Techniques. Amendment No. 2 provides for five (5) sets of spare parts for the mensuration viewers to be furnished on or before 15 March 1961.

3. Amendment No. 2 obligates an amount of \$4,653.10 chargeable to Air Force Joint Procurement funds in Fiscal Year 1961. This procurement is covered by Activity Program COR-0658. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.

5. Concurrence in Amendment No. 2 to Contract No. BB-375 is recommended.
